Ex-Works 25 Matchmaking Tuesday August 19 Museum of Furniture Studies, Älmhult

Ex-Works 25 Matchmaking - an opportunity for you to see degree projects and meet the students from five different design schools in Sweden.*

We invite you to join us in Älmhult for a day with inspiration and insights in design related topics, and an afternoon where we deep dive into the projects in Ex-Works 25, presented by each designer. We will also share about our ongoing work with establishing Museum of Furniture Studies in Älmhult.

We start with an inspiration session at 10.00 and will wrap up the match making around 17.00. During the evening you have an opportunity to join us for a common dinner and continue networking. (We can also support with booking hotel if you want to stay over night.)

A more detailed agenda and opportunity to sign up will come soon

Hope to see you in Älmhult!
